IHC Advantage Family Plan 2019

This Family Plan (AFP) is designed to help:

1. Those who do not have insurance,
2. Or, if insurance plans do not cover naturopathic physician services.

Basic Plan: \$600 for 5 office visits.

Annual Plan: \$1200 for 10 office visits.

How The Plan Works

You qualify for the Advantage Family Plan after your initial consultation.

The initial consultation is \$280

Subsequent visits on the AFP are \$120 each.

This applies to each immediate family member after their initial office visit.

How The Plan May Be Applied:

1. In-person or virtual office visit.
2. Telephone consult that involves a discussion, opinion or treatment plan
3. Text or email consult that involves a discussion, opinion or treatment plan.

More Plan Advantages:

1. 10% off dispensary items except homoeopathic remedies.
2. 10% off appointments cancelled less than a 24-hr. notice prior to the office visit.
3. Free “Pram Talks” webinars.
4. The unused Plan visit can be carried over to the following year.
